

SDNHM DIGITAL IMAGE POLICIES

Revenue generated from the purchase and use of images from the San Diego Natural History Museum (SDNHM) assists in collection preservation. Thank you for your support!

Digital image reproductions are sold for personal use, public display, and reference use and may not be published without payment of licensing and reproduction fees and completion of the Reproduction Order Form and Contract. A Fee Schedule is provided on the following page. We reserve the right to charge additional fees for special categories of images. For any categories not listed in the Fee Schedule, please request a quotation. All fees are subject to state sales tax and may change without notice. All sales are final.

The SDNHM retains all rights to reproduction. Licensing for publication is granted for one-time, non-exclusive use and only for the expressed purpose described in the contract. Applicant must state the intended use of each reproduction on the contract. Any subsequent use or change in use constitutes re-use and must be applied for in writing. The SDNHM reserves the right to refuse any reproduction request. Reproductions may not be copied and resold at any time.

*All reproductions must be credited as follows in a caption or credit: **San Diego Society of Natural History, all rights reserved.** Credits should appear in close proximity to the image or in a special section devoted to credits. Altering the original image beyond standard cropping requires written permission. These changes must be indicated in the accompanying caption. Applicant agrees to provide the SDNHM Research Library with one copy of the work containing the reproduction.*

*The SDNHM does not hold copyright to all items in its collection. If a work is subject to copyright, the copyright remains with the creator or assignees. **All responsibility for possible copyright infringement, invasion of privacy, and the rights of publicity from the use of reproductions is assumed by the applicant.***
